"Sorry, go ahead *Name*"	Someone pressing buttons	"Pass the ball"	"Having Webex issues"	"I'll reach out to/I'll follow up with *Name*"
Someone is criticizing presentation/formatting (Not the information)	"Sorry I was double muted"	Static	4+ people talking over each other	"I'll take that action"
You were asked a question while briefly away from meeting	3 Call in User that are people in the Webex	Free!	"Can you repeat that?" *clearly wasn't listening"	"That's coming up in a couple of charts"
Heavy Breathing	"Let's take this offline"	Kids screaming	Charts get skipped to answer a question	"Can you see my screen"
Someone starts talking about the virus/quarantine	Eating/plate clinking/bag of chips/assorted dining noises	Spend half hour on one chart	Someone is asked a question followed by silence	Dog barking
